RESOURCE ESSENTIALS SUN PROTECTION MINERAL SPF 30- 14% zinc oxide spray Skinresource.md, L.L.C.

Uses • Helps prevent sunburn • If used as directed with other sun protection measures, decreases the risk of skin cancer and early skin aging caused by the sun.

Warnings

- For external use only
- Flammable Do not spray near heat, sparks, sources of ignition, or flames.
- Protect this product from excessive heat and direct sun
- Do not use on damaged or broken skin
- When using this product keep out of eyes
 Rinse with water to remove.
- Stop use and ask a doctor if skin irritation or redness occurs for more than 72 hours.

Keep out of reach of children

If product is swallowed, get medical help or contact a Poison Control Center right away

Directions • Apply liberally 15 minutes before sun exposure. Reapply: Every 2 hours during the day after swimming or sweating. • Children under 6 months: ask a doctor.

Sun Protection Measure: Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a broad spectrum SPF value of 15 or higher and other sun protection measures including: Limit time in the sun, especially from 10 a.m.to 2 p.m.

Wear long-sleeved shirts, pants, hats, and sun glasses

Active

Ingredient Zinc Oxide - 14.0%
