

**TOBCHARM TOENAIL FUNGUS TREATMENT LIQUID- toenail fungus treatment liquid liquid**  
**Guangzhou Qiexiran Cosmetics Co., Ltd.**

-----  
**85817-009**

**Active Ingredient**

Undecylenic acid 10%

**Purpose**

Antifungal

**Use**

Hinder fungal and bacterial growth, reduce itching, cleanse skin tissue.

**Warnings**

■ For external use only.

**Do not use**

■ Do not use it if pregnant or on children under 2 years of age unless otherwise directed by a doctor.

**When Using**

■ When using this product avoid contact with eyes. If contact occurs, rinse thoroughly with water.

**Stop Use**

■ Stop use and consult a doctor / health care professional if irritation or symptoms worsen.

**Ask Doctor**

■ If swallowed, call a poison control centre or get medical help right away.

**Keep Out Of Reach Of Children**

■ Keep out of reach of children.

## **Directions**

■ Before using it, clean the affected area with soap and soak the nail with warm water to soften it.

■ For toe fungus, scrape off the dirt on the nail, and gently file the thickened part of the fungal nail with a nail file until it's flat. (be careful not to hurt the nail bed) You can use a nail file every 2-3 days to polish the surface of the affected area.

Apply the liquid with a thin layer over the affected area, the skin under the nail, and around the cuticle area.

■ For athlete's foot, pay special attention to spaces between toes.

■ Use it twice in the morning and evening for at least 8 weeks to see the effect. And if you want complete improvement, we recommend using it for 3-6 months.

■ You can use this product preventively for fungus in hot and humid conditions.

## **Other information**

Store at room temperature and out of direct sunlight.

## **Inactive ingredients**

Mineral oil, Apricot Kernel Oil, Tea Tree Oil, Tocopherol, Peppermint Oil, Camphor Oil, Jojoba Oil, Bergamot Oil, Lavender Oil
