-----

**Medline Acetaminophen 325 mg Tablets**

**Tamper Evident Packaging**

**TAMPER EVIDENT: DO NOT USE IF PRINTED SAFETY SEAL UNDER CAP IS BROKEN OR MISSING.**

***Active ingredient (in each tablet)***

Acetaminophen USP, 325 mg

***Purpose***

Pain reliever/fever reducer

***Uses***

- temporarily relieves minor aches and pains due to:
  - headache
- muscular aches
- backache
- minor pain of arthritis
- the common cold
- toothache
- premenstrual and menstrual cramps
- temporarily reduces fever

***Warnings***

**Liver warning:** This product contains acetaminophen. Severe liver damage may occur if:

- adults take more than 4.000 mg in 24 hours
- child takes more than 5 doses in 24 hours
- taken with other drugs containing acetaminophen
- adult has 3 or more alcoholic drinks every day while using this product

**Allergy alert:** Acetaminophen may cause severe skin reactions. Symptoms may include:

- skin reddening
- blisters
- rash

If a skin reaction occurs, stop use and seek medical help right away.

**Do not use**

- with any other drug containing acetaminophen (prescription or nonprescription). If you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacist.
- if you are allergic to acetaminophen or any of the inactive ingredients in this product

**Ask a doctor before use if the user has**

liver disease.

**Ask a doctor or pharmacist before use if the user is**

taking the blood thinning drug warfarin.

**Stop use and ask a doctor if**

- pain gets worse or lasts more than 10 days in adults
- pain gets worse or lasts more than 5 days in children under 12 years
- fever gets worse or lasts more than 3 days
- new symptoms occur
- redness or swelling is present

These could be signs of a serious condition.

**If pregnant or breast-feeding,**

ask a health professional before use.

**Keep out of reach of children. Overdose warning:**

In case of overdose, get medical help or contact a Poison Control Center right away (1-800-222-1222). Quick medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms.

***Directions***

- **Do not take more than directed (see overdose warning)**

---

**adults and children 12 years and over**

- take 2 tablets every 4 to 6 hours while symptoms last
- do not take more than 10 tablets in 24 hours, unless directed by a doctor
- do not take for more than 10 days unless directed by a doctor

**children 6 years to under 12 years**

- take 1 tablet every 4 to 6 hours while symptoms last
- do not take more than 5 tablets in 24 hours, unless directed by a doctor
- do not take for more than 5 days unless directed by a doctor

**children under 6 years**

- ask a doctor
- 

***Other information***

- store at room temperature in a dry place

***Inactive ingredients***

povidone, pregelatinized starch, sodium starch glycolate, stearic acid
