**When using this product**

- **do not exceed recommended dosage**
- do not use this product for more than 3 days. Use only as directed. Frequent or prolonged use may cause nasal congestion to recur or worsen
- temporary discomfort such as burning, stinging, sneezing, or increased nasal discharge may occur
- use of this container by more than one person may spread infection

**Stop use and ask a doctor if**

- symptoms persist.

**If pregnant or breast-feeding,**

ask a health professional before use.

**Keep out of reach of children.**

If swallowed, get medical help or contact a Poison Control Center right away

## Directions

Remove protective cap. Before using for the first time, prime the pump by firmly depressing its rim several times. Hold container with thumb at base and nozzle between first and second fingers. Without tilting your head, inset nozzle into nostril. Fully depress rim with a firm, even stroke and inhale deeply.

adults & children 6 yrs. & older (with adult supervision)	2 or 3 sprays in each nostril, not more often than every 10 to 12 hours. Do not exceed 2 doses in 24 hours.
children 2 to under 6 yrs.	ask a doctor
children under 2 yrs.	do not use

## Other information

- store at no greater than 25°C

## Inactive ingredients

benzalkonium chloride, benzyl alcohol, citric acid anhydrous, edetate disodium, fragrance, polysorbate 80, propylene glycol, purified water, sodium citrate
