VEGA™ Oral Care U Spray

Drug Facts
Contains 7.7% each of the following HPUS ingredients:
Aconitum nap 3X.....Pain
Arnica 3X, 6X, 18X.....Bruising, swelling
Calendula 3X.....Antiseptic
Chamomilla 5X.....Swelling
Echinacea angustifolia 3X.....Antiseptic
Echinacea purpurea 3X.....Antiseptic
Gelsemium 30X.....Analgesic
Hepar sulph calc 8X.....Antiseptic
Hypericum 10X.....Bruising, wound healing
Ignatia 30X.....Soothing
Mercurius viv 10X.....Analgesic, antiseptic
Ruta 12X.....Bruising

Uses
Temporarily:
• Relieves pain and swelling
• Reduces bruising
• Supports post-surgical recovery
• Refreshes breath

Warnings
• Do not use if you have a known allergy to any of the ingredients.
• Do not use if you have a known allergy or sensitivity to any of the ingredients.
• Do not use if you are pregnant or nursing a baby, seek the advice of a health professional before using the product.
• As with any drug, if you are pregnant or nursing a baby, seek the advice of a health professional before using the product.
• Keep this and all drugs out of the reach of children. In case of accidental overdose, seek professional assistance or contact a poison control center immediately.
• If pain, swelling or other related symptoms persist for more than 7 days of use, contact a dental professional.

Directions
Adults and children over 6 years of age: Shake well. Spray 4 sprays under the tongue. Repeat 4 times per day or as directed by your doctor. In preparation for dental surgical procedures, apply 4 times daily beginning 3 days before and continuing 7 days after each procedure. Consult a healthcare professional for use in children under 6 years of age.

Other information
For your protection, this bottle has a full body seal. Do not use if this temper evident seal around bottle is broken or missing.
• Store at room temperature.
• Keep away from direct heat or sunlight.
• Because of natural ingredients, color may vary over time.
• Use within 45 days of opening.

Inactive ingredients
Aluminum Hydroxymyristoleum, Pepsinogen al, Purified Water, Sodium Benzoate, Xanthan

 Hypericum 100 mg Soothing
 Manuka honey 100 mg Soothing
 Tea tree oil 100 mg Antiseptic

Use Temporally
 Relieves pain and swelling
 Reduces bruising
 Promotes post-surgical recovery
 Maintains oral health

Warnings
 Do not use if you have a known allergy or sensitivity to any of the ingredients.
 Stop use and consult a healthcare professional if you experience irritation or develop a rash.
 As with any drug, if you are pregnant or nursing a baby, seek the advice of a healthcare professional before using this product.
 Keep this and all drugs out of the reach of children. In case of accidental overdose, seek professional assistance or contact a poison control center immediately.
 If pain, swelling or other related symptoms persist for more than 7 days of use, consult a healthcare professional.

Directions
 Adults and children over 6 years of age: Shake well. Spray 4 sprays under the tongue. Repeat 4 times per day or as directed by your doctor in preparation for dental surgical procedures, apply 4 times per day beginning 3 days before and continuing 7 days after each procedure. Consult your healthcare professional for use in children under 6 years of age.

Other information
 For your protection, this bottle has a full body seal. Do not use if the tamper evident seal around bottle is broken or missing.
 Store at room temperature.
 Keep away from direct heat or sunlight.
 Because of natural ingredients, color may vary over time.
 Use within 45 days of opening.

Inactive ingredients
 Allantoin, Hydroxyethylcellulose, Peppermint oil, Purified water, Saccharin, Xylitol

- 1 VEGA™ Oral Care U Spray (1 fl oz (30 ml))
- 1 VEGA™ Oral Care U Gel (1 fl oz (30 ml))
- 1 VEGA™ Oral Care U Rinse (8 fl oz (240 ml))

Directions
 Adults and children over 6 years of age. When using the oral recovery kit for a surgical procedure please follow these directions beginning 3 days before and continuing 7 days after:

Spray: Shake well. Spray 4 sprays under the tongue. Repeat 4 times per day or as directed by your doctor.

Gel: Wash hands. Apply to upper and lower gums and surgical area using a fingertip or cotton swab. Allow gel to dissolve. Do not eat or drink for 20 minutes after application. Apply 3 times per day or as directed by a dental professional.

Rinse: Shake well. Use 15 cc (1 Tablespoonful) per application 2-3 times a day. Swish in the mouth for at least 1 minute and then spit out. Do not swallow. Refrain from eating or drinking for at least 20 minutes after use.

Consult your healthcare professional for use in children under 6 years of age.
