**INTENSE DEFENSE**  
 with Vitamin C

**SHEER MOISTURE SPF 10** is an antioxidant-rich day lotion that nourishes skin while protecting it against incidental daily UV exposure.

Environmental aggressors such as UV rays and pollution create free radicals that cause premature signs of skin aging. Studies show that antioxidants can neutralize these damaging free radicals. **Intense Defense** balances antioxidant-rich Vitamin C, White Tea and Lemon Bioflavonoids to defend skin and support its natural renewal cycle.
