87317-002

Active Ingredient

Plant Ozone Oil 0.5%

Purpose

Reduce bacterial growth.

Use

Use one tube once a day. Take one tube, remove the cap from the front end, lie flat on your back, and use a small pillow to slightly elevate your buttocks. Then insert the tube into the vagina and inject the gel, keeping the tube inside for 20 minutes before pulling it out. Wipe away any excess with a damp cloth. Use a sanitary pad before going to bed at night.

Warnings

This product is contraindicated during menstruation and pregnancy.

Do not use

This product is contraindicated during menstruation and pregnancy.

When Using

Clean the private area and apply a suitable amount.

Stop Use

If you experience any discomfort or skin irritation, please wash the affected area immediately and discontinue use.

Ask Doctor

If redness, swelling, or allergic reactions occur, please consult a doctor for treatment advice.

Keep Out Of Reach Of Children

Please place this in an area inaccessible to children. In case of emergency, please immediately call the emergency services for assistance.

Directions

Clean the private area and apply a suitable amount.

Other information

Please store in a cool, well-ventilated, and dry place, avoiding high temperatures and direct sunlight.

Inactive ingredients

Olive oil, sunflower oil, tea tree oil, ozone
