DOC Brands

Menthol 10mg

Xylitol, Polyvinylpyrrolidone K90, Steviol glycosides, Natural Cherry Flavoring, Carbopol 71G, Silicon Dioxide, Magnesium Stearate, Natural Red Color, Stearic Acid

Ask a doctor before use if you have: • persistent or chronic cough such as occurs with smoking, asthma, or emphysema • cough accompanied by excessive phlegm (mucus)

Stop use and ask a doctor if: • cough persists more than 1 week, tends to recur, or is accompanied by fever, rash, or persistent headache. These could be signs of a serious condition. • sore mouth does not improve in 7 days • irritation, pain, or redness persists or worsens

Questions or comments? 833-362-2763 or consumeraffairs@doc-brands.com

If pregnant or breastfeeding, ask a health care professional before use. Keep out of reach of children

Keep out of reach of children.

Sore throat warning: if sore throat is severe, persists for more than 2 days, is accompanied or followed by fever, headache, rash, swelling, nausea, or vomiting, consult a doctor promptly. These symptoms may be serious.

Directions • adults and children 5 years of age and older, apply 1 tablet and allow it to slowly dissolve. Repeat every 2 hours as needed. Place the tablet on a clean, dry finger with the colored, curved side up. Place the colored, curved side against the roof of the mouth and hold in place for 10 seconds. The tablet will begin to slowly dissolve and provide soothing relief for more than an hour. Do not remove the tablet before it dissolves. In case of discomfort, the tablet may be removed by gently peeling the tablet from the sides while washing with warm water. Do not use any instrument to remove the tablet.

Purpose to aid as a cough suppressant and provide sore throat relief

For the temporary relief of cough due to minor throat irritation and occasional minor sore throat

adults and children 5 years of age and older, apply 1 tablet and allow it to slowly dissolve. Repeat every 2 hours as needed up to 7 days.
