Abbasi & co Minoxidil shampoo

Eye protection: Avoid getting shampoo foam into your baby's eyes during washing. If it accidentally gets into their eyes, gently rinse with clean water until the irritation subsides. Skin reaction: If persistent redness, itching, or blistering occurs, discontinue use and consult a pediatrician. Storage and handling: Keep out of reach of children, store in a cool, dark place, and avoid direct sunlight and high temperatures. Use within the expiration date indicated on the packaging after opening.

Shampoo is used to cleanse the hair and scalp, while also providing a foundation for styling, making hair smooth and nourished, and preventing split ends.

(I) Shampoo 1. Warning: If it accidentally gets into your eyes, rinse immediately with plenty of water. If irritation persists, seek medical attention. 2. Note: Everyone's hair type is different, and the results may vary. If you experience scalp discomfort or other issues, you may want to switch to a different product. 3. Tip: Use the shampoo correctly according to the instructions. Avoid frequent washing to prevent damage to your scalp and hair.
