Nutri-Vet LLC

Disclaimer: This drug has not been found by FDA to be safe and effective, and this labeling has not been approved by FDA. For further information about unapproved drugs, [click here](#).

Drug Facts

Active ingredient per pump

Benzalkonium Chloride 0.2%

Purpose

Antimicrobial

Use: Can be used in the treatment of superficial minor skin irritations. Effective against both gram-negative and gram-positive bacteria, ringworm, protozoa and some viruses. Rapid acting with a moderately long duration of action.

Warnings

For external use on animals only

Ask a veterinarian if your pet has:

Large, open sores or wounds.

When using this product:

Do not touch tip of container to any surface to avoid contamination

Replace top after use. Wash hands after application. Store product at room temperature.

Stop use and ask veterinarian if:

Redness, irritation or swelling occurs or persists.

Keep out of reach of children and pets.

If consumed, get medical help or contact Poison Control Center right away.

Directions

Thoroughly cleanse affected area to remove dirt and debris and rinse well to eliminate any soap residue.

Apply WOUND SPRAY twice daily or as needed. Do not wash off.

Continue applying until area is completely healed.

Inactive Ingredients Aloe Barbadosensis Leaf Juice, Citric Acid, SD Alcohol 40-B, Tocopheryl Acetate, Water.
