Please keep it out of reach of children under 6 years old.

. For external use only.

Please keep it out of reach of children under 6 years old.

. Do not use on damaged or broken skin.

. Avoid contact with eyes when using this product. If it accidentally gets into your eyes, please rinse them with water to remove it.

. Stop use and ask a doctor if rash occurs.

. Please keep this product out of reach of children. If swallowed, seek medical attention or contact a poison control center immediately

It is a skin care product that efficiently introduces and promotes penetration. It can stimulate skin metabolism and collagen production, thereby improving enlarged pores, fading acne scars, and enhancing skin elasticity

. Thorough cleansing: Use a mild facial cleanser to ensure that the face is clean and dry.

. Correct application: Take an appropriate amount of essence and evenly apply it to the face (avoiding the eye area). Gently massage in a circular motion for 1-2 minutes until the micro-needle ingredients penetrate and the essence is absorbed.

. Subsequent care: After a brief pause, proceed

to use toner, moisturizing lotion, or face cream to complete the subsequent skincare routine.

. Frequency of use: It is recommended to use 1-2 times per week, adjust according to skin tolerance, and avoid using daily.

After use, the skin's pores are open, and it is recommended to avoid using products containing irritating ingredients such as alcohol, essence, high-concentration acids, or vitamin A alcohol within 24 hours.

After use, the skin barrier is temporarily weakened, so it is necessary to strictly use sunscreen products
