

EASMENT DMSO CREAM- menthol 1.00% cream
Easment LLC

Easment DMSO CREAM-Initial-158

Menthol 1.00%

Topical Analgesic

For the temporary relief of minor aches and pains of muscles and joints.

For external use only.

- on wounds or damaged skin
- with a heating pad
- if allergic to ingredient in the product

- Avoid contact with the eyes
- Do not bandage tightly

- rash or irritation develops and lasts
- condition worsens, or if symptoms persist for more than 7 days or clear up and occur again within a few days

If swallowed, get medical help or contact a Poison Control Center right away. If pregnant or breast-feeding, ask a health professional before use.

- Apply a small amount to the affected area 1-3 times daily.
- Massage gently until fully absorbed.
- Best used after warm shower or warm compress for enhanced penetration.

- Store at 20-25°C (68-77°F)
- Protect from excessive heat and direct sunlight
- Close lid tightly after use
