

**CVS 9083 MAXIMUM STRENGTH LIDOCAINE 4 PAIN RELIEF PATCH 1CT LARGE-
lidocaine patch
CVS PHARMACY, INC**

CVS 9083 Maximum Strength Lidocaine 4% Pain Relief Patch 1ct Large

Active ingredient Purpose

Lidocaine 4%.....Topical anesthetic

Use

temporarily relieves minor pain

Warnings

For external use only.

Do not use

- ☐ more than 1 patch on your body at a time
- ☐ at the same time as other topical analgesics
- ☐ on damaged skin, or puncture wounds
- ☐ for more than one week without consulting a doctor
- ☐ if you are allergic to any ingredients of this product

When using this product

- ☐ use only as directed. Read and follow all directions and warnings on this label.
- ☐ do not allow contact with the eyes
- ☐ do not bandage tightly or apply local heat (such as heating pads) to the area of use
- ☐ avoid the patch getting wet for better adhesion
- ☐ dispose of used patch in manner that always keeps product away from children or pets. Used patches still contain enough lidocaine to cause serious or life-threatening problems.

Stop use and ask a doctor if

- ☐ skin reactions occur, such as pain, swelling, rash, redness, itching, irritation, or blistering where the product was applied
- ☐ symptoms persist for more than 7 days or clear up and occur again within a few days
- ☐ condition worsens

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

Directions

- ☐ adults and children over 12 years:
- ☐ clean and dry affected area
- ☐ expose a portion of the patch by firmly grasping an edge or corner and gently pull apart until backing separates
- ☐ position and apply exposed portion of the patch to affected area
- ☐ once exposed portion of patch is positioned, carefully remove remaining backing to completely apply patch to affected area

- use 1 patch at a time and not more than 3 to 4 times daily
- wash hands after applying or removing patch
- throw away the patch by folding sticky ends together
- children 12 years or younger: ask a doctor

Other information

store at room temperature 20-25°C (68-77°F)

Inactive ingredients

alcohol, aluminum glycinate, glycerin, kaolin, methylparaben, polysorbate 80, propylparaben, purified water, sodium polyacrylate (2500000 MW), tartaric acid, titanium dioxide
