CAVTECH HOLDING LLC

ProBliva Antibacterial & Acne Body Wash-85464-004-01

Benzalkonium Chloride 0.13%

Salicylic Acid 0.5%

Antibacterial

Acne Treatment

- Helps clear up acne blemishes and prevent new breakouts
- Helps reduce bacteria on the skin that can cause acne and body odor
- Gently cleanses and purifies oily or acne-prone skin

For external use only

- Avoid contact with eyes, lips, and mucous membranes. If contact occurs, rinse thoroughly with water
- Skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time
- If irritation occurs, use only one topical acne medication at a time
- This product may cause mild tingling or temporary dryness in sensitive skin
- Stop and ask a doctor if -Severe irritation or redness develops
- Condition worsens or does not improve after regular use
- On broken skin or open wounds
- If you are allergic to salicylic acid or benzalkonium chloride
- Over large areas of the body for extended periods unless directed by a doctor
- For use on body only (not for face)
- Apply to wet skin, work into a gentle lather, and massage onto affected areas
- Leave on for 30 seconds to 1 minute, then rinse thoroughly
- Use once or twice daily, or as directed by a doctor
- If dryness or peeling occurs, reduce frequency of use
- Store at room temperature (15°-30°C/59°-86°F)
- Protect from excessive heat and direct sunlight
- Keep out of reach of children.

Antibacterial & Acne Body Wash

This daily purifying body wash is designed for oily, acne-prone, and sensitive skin. Formulated with Benzalkonium Chloride (as a cleansing aid), Tea Tree Oil, Aloe Vera, Witch Hazel, and Zinc PCA, it helps wash away bacteria, sweat, odor-causing impurities, and pore-clogging buildup - without over-drying your skin.

Daily Body Care That Works – cleanse, refresh, and rebalance your skin with every wash.
