

**THE ACNE SPOT TREATMENT- salicylic acid spot gel**  
**Spotless, Inc.**

-----  
**The Acne Spot Treatment (87415-100-04)**

***Drug Facts***

***Drug Facts***

***Active ingredients***

Salicylic Acid 2%

***Purpose***

Acne Medication

***Uses***

- for treatment of acne

***Warnings***

For external use only

Flammable, keep away from open fire or flame

When using this product skin irritation and dryness is more likely to occur if you use another topical medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children. If swallowed, get medical help or contact Poison Control Center right away. Avoid contact with eyes. If contact occurs, flush thoroughly with water.

***Directions***

- Clean the skin thoroughly before applying this product.
- Cover the entire affected area with a thin layer one to three times daily
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two times daily if needed or as directed by a doctor
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day
- Always wear sunscreen after daytime use

***Inactive ingredients***

Water, Niacinamide, Glycerin, Pentylene Glycol, Sodium Polyacrylate, Polyacrylate

Crosspolymer-6, Epigallocatechin Gallatyl Glucoside, Epigallocatechin Gallate, Madecassoside, Zinc PCA, Sphingomonas Ferment Extract, Panthenol, Sodium Polyacryloyldimethyl Taurate, Caprylyl Glycol, Ethylhexylglycerin, Tocopherol
