UV Shield  
Broad Spectrum  
SPF 50

Sunscreen  
For All Skin Types

1.69 Fl.oz. (50ml)

## Description

Remove UV Shield Broad Spectrum SPF 50 is an advanced formula sunscreen that provides superior UV protection while using less active ingredients than other leading sunscreens on the market. This lightweight formula spreads luxuriously without leaving your skin feeling heavy or greasy and is ideal for daily use on all skin types, even those with sensitive skin! UV rays can cause long-term skin damage such as wrinkles and is even linked to some skin cancers, making it essential to adequately protect your skin. Make Remove UV Shield an essential part of your daily skincare routine for healthy and youthful skin.
