H-Balm Daily

Drug Facts

Indications

For the treatment of oral herpes caused by herpes simplex 1 or 2 after diagnosis by a physician. Herpes is a contagious viral infection with symptoms of rashes or blisters, redness and pain.

*Homeopathic Active Ingredients**

Equal part of:	Purpose
Calendula Officinalis 6X HPUS	Promotes healthy skin and healing
Geranium Maculatum 6X HPUS	Relief for skin ulcers
Natrum Muriaticum 6X HPUS	Relief for herpes, painful skin eruptions
Thuja Occidentalis 6X HPUS	Relief for herpes, skin eruptions, itching or burning pain

* The letters 'HPUS' indicate that the components in this product are officially monographed in the Homœopathic Pharmacopœia of the United States.

Also Contains Organic Oils of

Citronella, East Indian Lemongrass, Lavandin Super, Pelargonium Graveolens Leaf Oil, Sesame Seed, and Tea Tree.

Directions

Test area for skin sensitivity. Moisten cotton swab w water and allow 2-4 drops to fall on the cotton. Dab moistened swab to problem area twice daily as prophylactic (preventive) measure. Can also be applied directly from the bottle. Wash hands thoroughly after use. Avoid contact with eyes. Results improve consistently with use, so it is important to be consistent with this program. For best results, use with H-Balm.

Warnings

Viral infections are contagious, and this product will not prevent the spread of the virus that causes herpes or any other virus.

Some individuals may be sensitive to tea tree or other oils. Begin with a small drop to determine if the product causes any increased redness or irritation and discontinue use if it irritates your skin.

If you are pregnant or breast-feeding, ask a health professional before use.

Keep out of the reach of children.

If accidental ingestion of more than several drops, get medical help or contact a Poison Control Center.

For external use only. Avoid contact with eyes. Stop use and ask a doctor if condition worsens or symptoms last more than 7 days.
