

FRESHINY FACIAL CLEANSER ACNE TREATMENT- salicylic acid emulsion
Guangdong Bawei Biotechnology Corporation

Freshiny Facial Cleanser Acne Treatment

Drug Facts

Active ingredient

Salicylic Acid 0.5%

Purpose

Acne Treatment

Uses

- for the treatment of acne
- clears acne blemishes
- helps keep skin clear of new acne blemishes
- helps prevent the development of new acne blemishes

Warnings

For external use only

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- wet area to be cleansed
- apply acne wash and gently massage area for 1-2 minutes
- rinse thoroughly and pat dry
- because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor
- if bothersome dryness or peeling occurs, reduce application to once a day or every other day

Other information

- Store in a dry place at room temperature (59°-86°F)
