Here's Our Story:

Dr. Harold Katz created the TheraBreath™ formulas in 1993 to help his own daughter conquer her bad breath because nothing else worked. Since then, millions have regained their confidence by switching to TheraBreath formulas for their daily oral care routine. All TheraBreath rinses are formulated with no alcohol (no burning) and help provide fresh breath.

This product is sold as the TheraBreath Antingivitis/Antiplaque Variety Pack; do not use both oral rinses together. Keep out of the reach of children. If spilled on fabrics, wash out immediately. This product was sealed with protective packaging. If seal is missing do not use. Rinses may cause temporary staining on the surface of the teeth. This is not harmful, and adequate brushing may prevent its occurrence.
