

SKINLYCIOUS GLOW EXFOLIANT- salicylic acid liquid
Skinlycious Pte Ltd

Drug Facts

Active ingredient

Salicylic Acid 2%

Purpose

Acne treatment

Uses

- For the treatment of acne
- Helps prevent development of new acne blemishes

Warnings

For External Use Only

Do not use if you

- are pregnant
- are a child under 3 years of age
- are allergic to salicylates

When using this product

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- Avoid unnecessary sun exposure and use a sunscreen.
- Avoid contact with the eyes, lips and mouth.
- First time users may experience tingling sensation and visible peeling. After frequent usage, tingling and peeling will likely reduce.

Stop use and ask a doctor if

- Irritation becomes severe

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center right away.

Direction

- Cleanse the skin thoroughly before applying this product
- For treatment of acne, wet cotton bud or pad with solution and cover the entire affected area with a thin layer one to three times daily. Suitable for both facial and body acne.
- Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.
- Complement this with other Skinlycious products to reduce the likelihood of skin dryness.
- For full face exfoliant, wet cotton pad with a solution and apply a thin layer in the evening only over the entire face. No need to rinse off. Once skin condition improves, reduce frequency to no more than 3-5 times a week in the evening only.

Inactive Ingredients

Water, Alcohol Denat. Mandelic Acid, Glycerin, Purslane, Butylene Glycol, Phenoxyethanol, Ethylhexylglycerin.

Other information

- Store in a cool dry place away from direct sun.
