Foamgle Foam Mouthwash - Super Mint 150mL

Active ingredient(s)

Allantoin 0.05%

Purpose

Oral Tissue protectant, alleviation of oral irritation

Use(s)

- Aids in the prevention of dental cavities.
- Helps remove plaque that leads to gingivitis, an early form of gum disease.
- Helps protect the mouth against everyday irritants
- Freshens breath while protecting oral tissues
- Helps soothe and protect irritated gums and mouth

Warnings

- For oral use only; do not swallow.
- Avoid contact with eyes. If contact occurs, rinse thoroughly with water.
- Keep out of reach of children. If more than used for rinsing is accidentally swallowed, get medical help or contact a Poison Control Center right away.
- Stop use and ask a dentist if • Gingivitis, bleeding, or redness persists for more than 2 weeks. • You have painful or swollen gums, pus from the gum line, loose teeth, or increasing spacing between teeth. These may be signs or symptoms of periodontitis, a serious form of gum disease.
- If pregnant or breast-feeding, ask a health professional before use.

Directions

- Dispense foam directly into mouth • Swish thoroughly for 30 seconds to 1 minute, and then spit out. Do not swallow the rinse • Use 2–3 times daily or as directed by a dentist or doctor.

Other Information

- Do not store this product in an inappropriate place such as high or low temperatures or under direct sun light
- Store at 15°–30°C (59°–86°F)
- Do not freeze.
