

RETINOL CLEARING- salicylic acid oil
Dermalogica, LLC.

RETINOL CLEARING OIL

Drug Facts

Active Ingredient

Salicylic Acid (2.0%)

Purpose

Acne treatment

Indications

For the treatment of acne

Warnings

For external use only

This product contains Retinol, a form of Vitamin A.

- If pregnant or breastfeeding, consult a physician prior to use.
- Avoid contact with eyes. If contact with eyes occurs, flush thoroughly with water.
- Use sunscreen and limit sun exposure when using this product.
- Do not use with other products containing Retinol.

Keep out of reach of children.

- If swallowed, get medical help or contact a Poison Control Center right away.

Directions

When using this product

- Clean the skin thoroughly before applying this product.
- Skin irritation and dryness are more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- Press button and release to fill dropper. At night, after cleansing, gently press button to dispense 6-10 drops into hands. Smooth over face and neck.
- If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

Inactive Ingredients

retinol clearing oil

High-performance night oil combines Retinol and Salicylic Acid into one skin-soothing formula. Time-released Retinol helps reduce visible signs of premature skin aging. Salicylic Acid helps clear breakouts. Argan, Rosehip Seed and Golden Jojoba oils actively nourish skin.

Huile de soin haute efficacité qui combine les bienfaits du rétinol et l'acide salicylique dans une même formule apaisante qui agit pendant la nuit. Le rétinol libéré en continu aide à réduire les signes visibles de vieillissement prématuré. L'acide salicylique cible les imperfections. Les huiles d'argan, de graines d'églantier et de jojoba doré nourrissent la peau.
