SPAI-SONS PROLAC-VIT

Biotin is a major component of the formulation acts to strengthen the hair follicle and prevents hair loss as well. It is nutrient for the hair root oxygenate the hair turn slowing the loss. Provides resilience and resistance to hair. Addition of biotin are other ingredient such as Asian Ginseng, Arginine, Zinc Gluconate, Niacinamide, Ornithine HCl, and Citrulline which help strengthen the hair follicle and produce a synergistic action on it.

Prolac-vit is a well balanced formula that helps the function and nutrition of hair root, resulting in abundant hair and neutralizing alopecia caused by lack and certain components, mistreatment or toxic agents.

This product must be keep out reach of children

This product is for topical application directly on the hair follicle.

Avoid contact with eyes, if they do wash with water. If swallowed contact a physician immediately

Recommended use: thin or fragile, ill-treated hair, malnourished scalp or hair roots, Alopecia, hair loss due to cycle change.

Directions: must be applied directly to the scalp and then massage very gently until the product is absorbed

This is a liquid prepared with the technology needed to provide the hair follicle absorption of the active ingredients, plus inactive ingredients contribute to the regeneration of the hair fiber by providing a strengthening therefore. No adverse effects were seen with the use of this product as inactive ingredients do not cause skin hypersensitivity.
