

CVS FOOT PAIN- lidocaine hydrochloride cream
CVS Pharmacy

CVS Lidocaine Foot Cream

Active ingredient

Lidocaine HCl 4%

Purpose

Topical Anesthetic

Use

for the temporary relief of pain

Warnings

For external use only

Do not use

- if you have serious foot problems, such as ulcers or infections, on large areas of the body or on cut, irritated or swollen skin
- on puncture wounds
- for more than one week without consulting a doctor

When using this product

- use only as directed. Read and follow all directions and warnings on this carton.
- do not allow contact with eyes and mucous membranes
- do not bandage tightly or apply local heat (such as heating pads) or a medicated patch to the area of use
- do not use at the same time as other topical analgesics

Stop use and ask a doctor if

- condition worsens
- redness is present
- irritation develops
- symptoms persist for more than 7 days or clear up and occur again within a few days

If pregnant or breast-feeding

ask a health professional before use.

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Adults and children 12 years and older:
- apply a thin layer to affected area every 6 to 8 hours, not to exceed 3 applications in a 24 hour period
- massage into painful area until thoroughly absorbed into skin
- Children under 12 years of age: ask a doctor

Other information

Store in a cool dry area.

Child-resistant packaging: Close cap tightly after use.
