Directions

Apply product directly to affected area and rub gently into the skin. Repeat 3 times per day. It may also help to apply a few drops to the soles of each foot 2-3 times per day, as well.

Warnings

Some individuals may be sensitive to essential oils. Begin with a small drop to determine if the product causes any increased redness or irritation and discontinue use if it irritates your skin.

If you are pregnant or breast-feeding, ask a health professional before use.

For external use only. If accidental ingestion more than several drops, and adverse reaction occurs, get medical help or contact a Poison Control Center. Do not apply to the eyes; in the event of contact, flush with water and seek advice from medical personnel.

Not to be used with children under 2 years of age. Keep all medicines out of the reach of children.

Stop use and ask a doctor if condition worsens, symptoms last more than 7 days, or clear up and occur again within a few days.
