The antioxidant-rich, lightweight formula protects against free radical damage, helps to reduce inflammation and blends seamlessly with zero white cast.
- Antioxidant vitamin E helps to strengthen the skin's barrier, protect against environmental stressors and visibly improve tone and texture over time.
- Green tea helps to soothe, refresh, nourish and reduce the appearance of puffiness, while lavender helps to calm the skin.
- Plant-derived squalane from sugar cane balances oil production and helps rejuvenate skin's appearance by restoring suppleness and preventing moisture loss.
