Anti Dandruff Shampoo

ketoconazole 1%

Anti Dandruff

Keep out of reach of children

For external use only

For best results, follow these steps carefully: 1. Wet hair and scalp thoroughly with lukewarm water.

2. Apply a sufficient amount of shampoo to generate a rich lather.

3. Gently massage the lather into your scalp and hair. 4. Leave the lather on the scalp for 3-5 minutes. This contact time is crucial for the medication to work effectively. 5. Rinse thoroughly with water.

Use every 3-4 days for up to 8 weeks. After that, use only as needed to control dandruff.
