

## **DHS TAR- coal tar shampoo**

### **Person and Covey**

-----

## **DHS TAR**

### **WARNINGS**

For external use only. Ask a physician before use if you have Psoriasis or Seborrheic Dermatitis that covers a large area of the body. Do not get into eyes. If contact occurs, rinse eyes thoroughly with water. Use caution in exposing skin to sunlight after applying this product. It may increase your tendency to sunburn for up to 24 hours after application. Do not use for prolonged periods without consulting a physician. Do not use this product with other forms of Psoriasis therapy such as ultraviolet radiation or prescription drugs, unless directed to do so by a physician. In rare instances, discoloration of gray, blond tinted or bleached hair may occur. Stop use and ask physician if condition worsens or does not improve after regular use. Store away from excessive heat or cold.

### **Dosage and Administration**

Wet hair thoroughly, apply a liberal amount of shampoo and massage into lather. Allow lather to remain on scalp for several minutes. Rinse hair well and repeat application. For best results use at least twice a week or as directed by a physician.

### **Indications and Use**

Helps prevent recurrence of scalp itching and flaking associated with Psoriasis, Seborrheic Dermatitis and Dandruff.

### **Keep out of the Reach of Children**

Yes. If swallowed, get medical help or contact a Poison Control Center right away.

### **Purpose**

Controls symptoms of Psoriasis, Seborrheic Dermatitis and Dandruff.

### **Inactive Ingredients**

Purified Water

Triethanolamine Lauryl Sulfate

Cocamidopropyl Hydroxysultaine

PEG 8 Distearate
