

**SEEBELLAR CLOTRIMAZOLE 1% ANTIFUNGAL CREAM- seebellar clotrimazole
1% antifungal cream cream
GUANGZHOU YUSONG FINE CHEMICALS Co., Ltd**

84558-014

Active Ingredient(s)

Clotrimazole 1%

Purpose

Antifungal

Use

Uses: Treats skin fungal infections: jock itch (tinea cruris), athlete's foot (tinea pedis), ringworm (tinea corporis). Relieves itching, redness, burning, and irritation from fungal infections. Soothes skin and supports recovery in moisture/friction-prone areas (groin, inner thighs, body folds)

Warnings

Warnings: For external use only.

Do not use

Do not use: on broken, inflamed, or severely irritated skin; or if allergic to Clotrimazole/any ingredients.

When using this product: Avoid contact with eyes. If contact occurs, rinse thoroughly with water.

Stop use & ask a doctor if: irritation/rash develops; condition worsens or no improvement within 2 weeks. If pregnant or breastfeeding, ask a healthcare professional before use. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately.

Children Under 12: Consult a doctor before use.

Directions

Directions: Adults & Children 12+; Clean and dry the affected area thoroughly; Apply a thin layer of cream twice daily (morning & night); Continue use for up to 2 weeks, or as directed by a doctor; Wear

loose-fitting clothing to keep the area dry

Other information

Other Information: Store between 20° -27°C (68° -81°F); See top panel for lot number and expiration date
