

**BONICAEASEX MENTHOL PAIN RELIEVING- menthol, unspecified form gel
Planet (Anhui) Pharmaceutical Co.,Ltd**

BonicaEaseX Menthol Pain Relieving Gel

Drug Facts

Active Ingredient

Menthol 4%

Purpose

Topical Analgesic

Uses

Temporarily relieves minor aches and pains of muscles and joints associated with: simple backache, arthritis, strains, bruises, and sprain.

Warnings

• Please read all directions and warnings as follows and use only as directed. For external use only. • Flammable: Keep away from excessive heat or open flame. Do not heat, microwave, add to hot water or any container where heating water may cause splattering and result in burns. • If pregnant or breast-feeding, ask a health professional before use. • Do not bandage tightly. • Avoid contact with the eyes. • Do not apply to wounds or damaged skin

Keep out of reach of children and pets.

If swallowed, get medical help or contact a Poison Control Center right away.

Do not use

• Alone if you are under the age of 12, please consult a doctor. • If you're allergic to the listed ingredients. • If the package arrives damaged or opened. • at the same time as other topical analgesics. • on mucous membranes, cuts, broken, swollen, or irritated skin.

Stop use and ask a doctor if

• if condition worsens, or if symptoms persist for more than 7 days or clear up and occur again within a few days. • if you experience any signs of deterioration or skin injury, such as redness, irritation, swelling, or blistering. • if the arthritic pain persists for more than 10 days, or redness is present

Directions

- Rub a thin film over the affected area not more than 3 to 4 times daily.
- Wash hands after use.

Other information

Store it in a dry place at room temperature between 20–25 °C (68–77 °F) and away from direct sunlight.

Inactive ingredients

• Arnica Oil • Calendula Oil • Carbomer • Dimethyl Isosorbide • Glycerin • Isopropyl Alcohol • Lemon Oil • Triethanolamine • Tea Tree Oil • Water
