

LASOLEX LIQUID SOLUTION- clotrimazole 1% solution
PureTek Corporation

Lasolex™ Liquid Solution
Clotrimazole 1%
Antifungal Solution

Drug Facts

Active ingredient

Clotrimazole 1%

Purpose

Antifungal

Uses

- For treatment of most athlete's foot (tinea pedis), jock itch (tinea cruris), ringworm (tinea corporis)
- Relieves itching, scaling, cracking, burning and discomfort.
- Also helps relieve chafing associated with jock itch, itchy, scaly skin between the toes, or itching, burning feet.

Warnings

For external use only.

Do not use on children under 2 years of age

When using this product • avoid contact with eyes

Stop use and ask a doctor if

- for athlete's foot and ringworm, if irritation occurs or if there is no improvement within 4 weeks, discontinue use and consult a licensed healthcare practitioner
- for jock itch, if irritation occurs or if there is no improvement in 2 weeks, discontinue use and consult a licensed healthcare practitioner

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Clean the affected area and dry thoroughly.
- Apply a thin layer of the product over affected area twice daily (morning and night) or as directed by a licensed healthcare practitioner
- Supervise children in the use of this product.

- For athlete's foot: Pay special attention to spaces between the toes; wear well-fitting, ventilated shoes, and change shoes and socks at least once daily.
- For athlete's foot and ringworm, use daily for 4 weeks.
- For jock itch, use daily for 2 weeks.
- If condition persists longer, consult a licensed healthcare practitioner.
- This product is not effective on the scalp or nails.

Other information

- Store at 15° to 30° (59° to 86°F)
- Protect from freezing and excessive heat
- Do not use if package is damaged
