Purpose

Antacid

Uses

Relieves:

- heartburn
- acid indigestion
- sour stomach
- upset stomach associated with these symptoms

Warnings

Ask a doctor before use if you are:

- Presently taking a prescription drug. Antacids may interact with certain prescription drugs.
- Some people have or may develop a sensitivity to acacia gum. If mouth irritation develops, discontinue use.

When using this product

do not take more than 24 tablets in 24 hours. Do not use maximum dosage for more than 2 weeks unless under the advice or supervision of a doctor.

Keep out of reach of children

In case of overdose, get medical help or contact a Poison Control Center right away

If pregnant or breast-feeding,

ask a health professional before use.

Directions

Adults and children 12 years of age and older: Affix 1 or 2 tablets as directed below and allow to slowly dissolve in the mouth. May be repeated as needed, up to a maximum of 24 tablets per day. This product may last over 2 hours. May be used in daytime or nighttime.

Children under 12 years of age: Ask a doctor.

Placement: Antacid Melts are bi-layered tablets with a dimple on the tan (darker) side and antacid on the white (lighter) side. marked CA. Place the adhesive side with a dimple on the outside of a molar and/or adjoining gum, upper or lower, or on braces or appliances. Hold the tablet in place with your cheek or tongue for 10 seconds to initiate adhesion. Adhesion will strengthen over the next few minutes. The tablet may be removed at any time.
