## **Directions: Adults**

Directions: Adults

-when practical, cleanse the affected area by patting or blotting with an appropriate cleansing wipe. Gently dry by patting or blotting with a tissue or a soft cloth before insertion of this product.

-detach one suppository from the strip; remove the foil wrapper before inserting into the rectum as follows:

-hold suppository with rounded end up

-as shown, carefully separate foil tabs by inserting tip of fingernail at end marked "peel down"

-slowly and evenly peel apart (do not tear) foil by pulling tabs down both sides, to expose from wrapper

-insert one suppository into the rectum up to 4 times daily, especially at night, in the morning or after each bowel movement

-children under 12 years of age: ask a doctor
