Seranova™

ULTRALIGHT
SPF50 SERUM

Broad Spectrum SPF 50
Sunscreen
1.76 fl oz / 50ml

A lightweight, serum-fluid sunscreen formulated to protect and support skin from sun damage. Broad-spectrum UV filters provide essential UVA and UVB defense, helping prevent post-procedure sunburn sensitivity and the appearance of discoloration while skin heals.

Hydrating humectants help replenish moisture, while niacinamide supports a more even-looking tone. Skin-identical lipids, including ceramides, cholesterol, and phytosphingosine, help support the skin's natural barrier recovery and comfort.

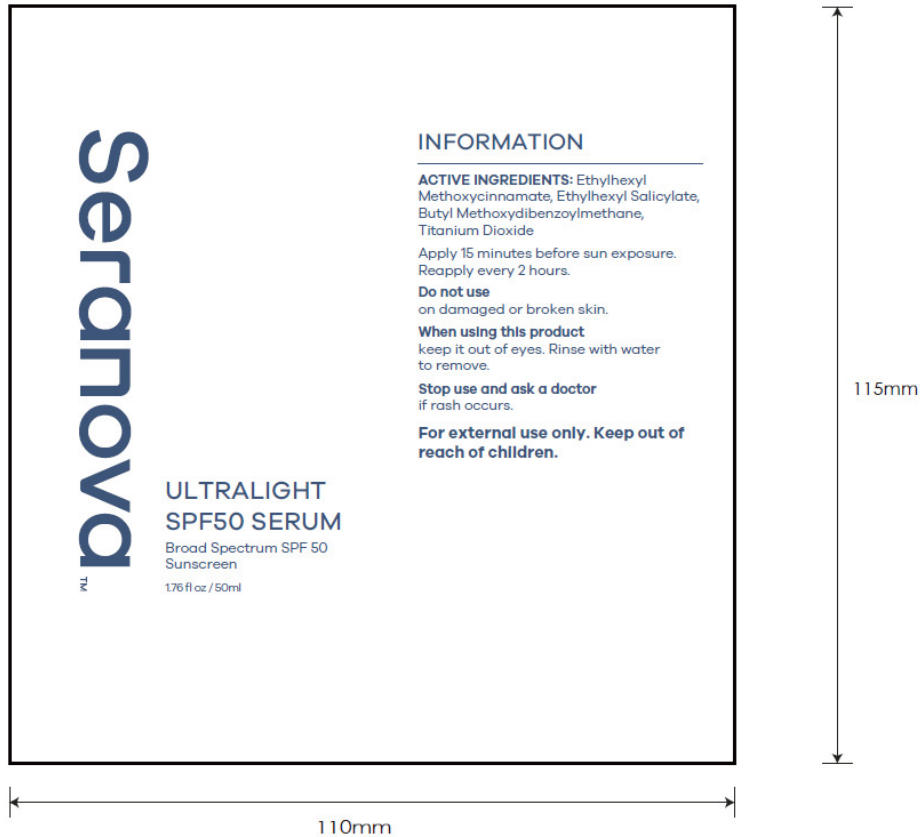

The ultra-sheer, breathable texture glides on effortlessly without feeling heavy on compromised skin. Designed for everyday use, this gentle SPF delivers high protection with exceptional tolerance to help keep microneedled skin calm, hydrated, and shielded during its most vulnerable phase.
