

**HEMORRHOIDAL OINTMENT- mineral oil, petrolatum, phenylephrine
hcl ointment
Trifecta Pharmaceuticals USA LLC**

Hemorrhoidal Ointment

Drug Facts

Active Ingredient

Phenylephrine HCl 0.25%

Purpose

Vasoconstrictor

Active Ingredient

Mineral Oil 14%

Purpose

Protectant

Active Ingredient

Petrolatum 74.9%

Purpose

Protectant

Uses

- Helps relieve the local itching and discomfort associated with hemorrhoids
- Temporarily shrinks hemorrhoidal tissue and relieves burning
- Temporarily provides a coating for relief of anorectal discomforts
- Temporarily protects the inflamed, irritated anorectal surface to help make bowel movements less painful

Warnings

For external and/or anorectal use only

Ask doctor before use if you have

- heart disease
- high blood pressure
- thyroid disease
- diabetes
- trouble urinating due to an enlarged prostate gland

Ask doctor before use if you are presently taking a prescription drug for high blood pressure

Stop Use and Ask Doctor if

- Bleeding occurs
- Condition worsens or does not improve within 7 days
- Introduction of applicator into the rectum causes additional pain

If Pregnant or Breast-Feeding

Ask a doctor before use

Keep out of reach of children

If swallowed get medical help or contact a Poison Control Center right away

Directions

Adults and children 12 years of age and older for topical use:

- Clean the affected area and pat or dab dry before applying ointment
- Apply to the affected area up to 4 times daily, especially after bowel movement
- Attach included applicator to tube
- Lubricate applicator tip and gently insert into rectum
- Thoroughly clean applicator after each use and replace cover

Children under 12 years of age: ask a doctor before use

Other Information

- Store at room temperature 20°-25°C (68°-77°F)
- Close cap tightly after use

Drug Facts (continued)

Active Ingredients
 Preparation H® (Mineral Oil 14%, Petroleum Jelly 78%, Polyethylene Glycol 0.25%, Viscocel®)

Purpose
 If pregnant or breast-feeding, ask a doctor before use. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions
 • Apply to the affected area by gently rubbing with an appropriate cleansing wipe. Gently dry before use. Use on a sore or a soft skin before applying ointment. • When first opening the tube, remove the seal.

Warnings
 • Temporarily relieves hemorrhoidal issues and relieves burning. • Temporarily provides a coating for relief of internal discomforts. • Temporarily protects the internal, irritated anal surface to help make bowel movements less painful.

For external and/or internal use only.

Ask a doctor before use if you have:
 • heart disease • high blood pressure • thyroid disease • diabetes • difficulty in urination due to enlargement of the prostate gland

Ask a doctor before use if you are presently taking a prescription drug for high blood pressure or depression.

When using this product do not exceed the recommended daily dosage unless directed by a doctor.

Stop use and ask a doctor if: • bleeding occurs • condition worsens or does not improve within 7 days • irritation of applicator into the rectum causes additional pain
