Just For Pets™ Ketoconazole Chlorhexidine Medicated Shampoo

ACTIVE INGREDIENTS:

Chlorhexidine Gluconate 2%

Ketoconazole 1%

INACTIVE INGREDIENTS:

Water, Lauramine Oxide, Cocamidopropyl betaine, Polyacrylate-1 Crosspolymer, Decyl Glucoside, N,N Dimethyltetradecylamine oxide, Glycolic Acid, Fragrance, Sodium Chloride, Glycerin, Decylamine oxide, Cetamine oxide, Tetrasodium EDTA, Methylchloroisothiazolinone, Methylisothiazolinone.

DIRECTIONS:

Shake well before use. Wet your pet's fur and coat thoroughly. Apply shampoo, working it into a rich lather and ensuring the skin is well-saturated. Leave the lather on coat for 5-10 minutes before rinsing. Rinse your pet's coat completely. For best results, use the shampoo twice per week until the skin condition improves, afterward switch to once per week to help maintain healthy skin, Use only on animals 12 weeks or older

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN

For external use only.

Keep the shampoo out of your pet's eyes, mouth, and inside the ears. If your pet's skin becomes irritated or you notice redness, stop using the product and contact your veterinarian. Do not use this shampoo with other topical treatments unless your veterinarian approves, as it may reduce their effectiveness. Keep away from children and pets when not in use. Do not allow your pet to lick the product while it is still on the coat. If eye contact occurs, rinse thoroughly with water and if irritation persists or worsens consult a veterinarian.

STORAGE:

Store the bottle at regular room temperature.

Avoid exposing it to direct sunlight, extreme heat, or freezing temperatures. Keep the container sealed tightly when not in use to prevent contamination and drying. Discard the product if it changes color, smell, or consistency.

for Dogs, Cats & Horses

ANTIFUNGAL • ANTIBACTERIAL

For the management of skin conditions associated with bacterial and fungal infections, including those contributing to itching and irritation such as hot spots or allergic dermatitis.

FOR VETERINARY USE ONLY
