Acne Gel Moisturizer

Drug Facts

Salicylic Acid 0.5%

Acne treatment

Use

For the management of acne.

Warnings

For external use only.

When using this product ■ skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time. ■ avoid contact with eyes. If contact occurs, immediately flush with water.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

■ clean the skin thoroughly before applying this product. ■ cover the entire affected area with a thin layer one to three times daily. ■ because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. ■ if bothersome dryness or peeling occurs, reduce application to once a day or every other day.
