We are Drs. Lisa and Vanessa Creaven, dentists, sisters and moms. As dentists, we know most people hate coming to see us, but the truth is, great oral health can really be achieved at home. So we created a collection of safe, clinically proven products for our patients, families and friends. We hope you love them as much as we do. Welcome to the fam! **XX**

This toothpaste has been specifically formulated to protect and remineralize enamel. Containing the active ingredient Sodium Fluoride, as well as Sodium Tripolyphosphate, it helps to combat the most common problems, such as cavities and erosion.

Drug Facts	
Active ingredient: Sodium Fluoride 0.24%	Purpose Anticavity
Use: Aids in the prevention of cavities.	
Warnings: Keep out of reach of children under 6 years of age. If more than used for brushing is accidentally swallowed, get medical help or contact a Poison Control Center right away.
