AHAVA harnesses the wonders of the Dead Sea to create formulas that activate your skin from within. All products are powered by Osmoter™ - a mineral 'magnet' that draws moisture and nutrients from the depths of the skin to its outer layers, where it's needed most.

AHAVA nutzt die Wunder des Toten Meeres, um Formulierungen zu entwickeln, die die Haut von innen heraus aktivieren. Alle Produkte sind mit dem Osmoter™ angereichert - einem mineralischen „Magneten“, der Feuchtigkeit und Nährstoffe aus den tieferen Schichten der Haut an die Oberfläche zieht, wo sie am dringendsten benötigt werden.
