

DR. ZENOVIA CLEAR COMPLEXION- salicylic acid cloth
Topiderm, Inc.

Dr. Zenovia Clear Complexion

Drug Facts

Active Ingredient

Salicylic Acid 2.0%

Purpose

Acne Treatment

Uses

- For the treatment and management of acne
- Penetrates pores to eliminate most acne and blemishes
- Helps prevent development of new acne blemishes and blackheads

Warnings

For external use only

When using this product

- Skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one acne medication at a time.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Gently swipe pad over clean face avoiding the eye area. Use once or twice daily. A tingling sensation may occur and is normal.

Other Information

Sun Alert

Prior to sun exposure, cover areas to which the product has been applied with sunscreen. Keep out of reach of children.

Caution

For external use only. Avoid eye area. If product gets into eyes, flush with water. If irritation persists, contact a physician.
