

SALICYLIC ACID 0.5% BODY SERUM- salicylic acid lotion
Deciem

Drug Facts

Active ingredient	Purpose
Salicylic Acid 0.5%	Acne treatment

Uses
 - For the treatment of acne.
 - Helps clear up acne blemishes and allows skin to heal.

Warnings
 For external use only.

When using this product - skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions - clean the skin thoroughly before applying this product - apply to body and rub in with hands if needed - allow the product to dry - cover the entire affected area with a thin layer one to three times daily - because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor - if bothersome dryness or peeling occurs, reduce application to once a day or every other day - avoid contact with eyes, if contact occurs rinse thoroughly with water.

Other information
 Patch testing prior to use is advised. Apply the product as directed to a small area once a day for three days to test if you are sensitive to this product.

Inactive ingredients
 Chlorphenesin, Cyclopentasiloxane, Isoceteth-20, Pentaerythritol, Phenoxyethanol, Sorbitol, Sodium Hydroxide, Water.
