If swallowed, get medical help or contact a poison control center right away.

**Stop Use**

Stop use and consult a doctor irritation or symptoms worsen.

**When Using**

avoid contact with eyes. If contact occurs, rinse thoroughly with water.

## Directions

- Before using it, clean the affected area with soap and soak the nail with warm water to soften it.
- For toe fungus, scrape off the dirt on the nail, and gently file the thickened part of the fungal nail with a nail file until it's flat. (be careful not to hurt the nail bed) You can use a nail file every 2-3 days to polish the surface of the affected area. Apply the liquid with a thin layer over the affected area, underneath nail tips, and around the cuticle area.
- For athlete's foot, pay special attention to spaces between toes.
- Use it twice in the morning and evening for at least 6 weeks to see the effect. And if you want complete improvement, we recommend using it for 3-6 months or longer.
- You can use this product preventively for fungus in hot and humid conditions.

## Inactive ingredients

Mineral oil, Apricot Kernel Oil, Tea Tree Oil, Tocopherol, Peppermint Oil, Camphor Oil, Jojoba Oil, Bergamot Oil, Lavender Oil
