APUREE
Maximum Strength Antifungal Patches Pro

Treat patches that only cover the surface? Our PRO system manages stubborn fungal concerns while providing instant cooling relief to soothe itching and irritation.

- ✓ **Clinically Proven 1% Tolnaftate Formula**
We utilize the FDA approved antifungal ingredient at maximum strength to effectively manage fungal irritations and restore nail health.
- ✓ **Instant Soothe & Barrier Restoration**
Infused with Menthol and Bisablol to instantly cool and calm irritation, supporting a soothing barrier for clean, healthy nail regrowth.
- ✓ **Nano Delivery for Deep, Sustained Action**
Our patented system, powered by Urea and Lactic Acid, conditions thick and plate to ensure deep and effective ingredient penetration.
- ✓ **Round the Clock Active Support**
The patch works intensively while you sleep and creates a long-lasting barrier that continues to protect your nails long after removal. Individual results may vary. Tested under controlled conditions, consult a doctor for severe cases.
