APRICOT SCRUB
BLEMISH & BLACKHEAD
CONTROL

DRUG FACTS

Active Ingredient

Salicylic Acid (2%)

Purpose

Acne Treatment

USE

Treats Acne

Warnings

For external use only.

Using other topical acne medications at the same time or immediately following use of this product may increase dryness or irritation of the skin. If this occurs only one medication should be used unless directed by a doctor.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

Moisten face with water. Dispense product onto fingertips and massage over face. Rinse with water. Avoid direct contact with eyes. In case of contact with eyes, flush thoroughly with water. **For best results use 3 to 4 times per week.**
