- Avoid making eye contact. In case of accidental eye contact, flush eyes with copious amounts of cold tap water.
- This product may not work for everyone.

Stop Use

If irritation or symptoms worsen or last for more than 4 weeks.

Ask Doctor

If irritation or symptoms worsen or last for more than 4 weeks.

Keep Out Of Reach Of Children

If swallowed, get medical help or contact a poison control center right away.

Directions

- Soak the affected nail in warm water to soften it, gently file the nail to thin it and remove dirt, being cautious not to harm the nail bed.
- Application: twist the bottom of the pen clockwise to the right until a little gel flows from the gel chamber on to the brush. For first use you may need more twisting, apply thin layers of the solution with the brush onto affected areas on, around, and under the nails. A light tingle or burn is normal for the first 10 minutes until absorbed.
- Frequency: use twice daily (morning and night). Visible results may appear in 6 weeks. Continue regular use to prevent regrowth.

Other information

*Keep in cool dark place *Store upright *Tighten cap after use to prevent oxidation
