

ESTRIOL CREAM- estriol cream
Guangzhou Yunzhen Trading Co., Ltd.

87704-001 Estriol Cream

Estriol 0.2%

For Women's Menopause Support

Helps maintain hormonal balance and may ease symptoms associated with menopause.

For external use only

1. Do not use if you are pregnant or breastfeeding.

2. Do not use if you have undiagnosed vaginal bleeding.

3. Do not exceed the recommended dosage.

4. Avoid contact with eyes.

Women at all stages of menopause.

5. If any other health issues occur, discontinue use and consult a doctor immediately.

6. If swallowed, seek medical help or contact a Poison Control Center immediately.

1. Apply twice daily. Dispense

2 pumps of cream onto clean fingers, then spread evenly over the labia and perineal area (external use only).

2. For best results, apply after bathing while lying down, and allow 20 minutes for the cream to absorb before resuming normal activities.

AQUA

GLYERIN

PANTHENOL

1,2-HEXANEDIOL

CARBOMER HOMOPOLYMER

ARGININE

Note:

Directions for Use:

To ensure a gentle, non-irritating formula, natural herbal extracts are added. The light, fresh herbal aroma is from natural ingredients, not chemical additives.

Target Users:

Women at all stages of menopause.

Mechanism of Action:

The estriol formula acts locally on the vulva to help restore vulvar health. It promotes normalization of epithelial cells, effectively relieves vaginal dryness, itching, and discomfort, and restores normal microflora and pH balance, thereby enhancing local resistance against infection and inflammation. This product is safe and gentle, contains no synthetic hormones, and helps you regain comfort and confidence.

Shelf Life: 3 Years
