Repairs fungal nail damage and improves nail appearance

Warnings

For external use only.

Do not use

Avoid direct contact with eyes, mouth, mucous membrane, wounds

Do not use if you are allergic to any of the ingredients

Do not use if you are pregnant or breastfeeding

When Using

Avoid direct contact with eyes, mouth, mucous membrane, wounds

Stop Use

if irritation occurs and discomfort persists

Ask Doctor

if you have diabetes or poor blood circulation

Keep Out Of Reach Of Children

In case of contact with eyes, flush with water for at least 15 minutes.

If swallowed, seek medical assistance immediately or contact a Poison Control Center.

Directions

Directions: Clean and thoroughly dry the affected area before application.

■ Peel off the patch's protective film, starting with the outer side and then the inner side.

■ Place the sticky side of the patch directly onto the infected area on the nail and remove the release paper. Gently wrap the sides of the toe or finger to ensure a snug fit.

■ Fold the remaining adhesive part to cover the toe/fingertip. Leave the patch on for 6-8 hours (It is recommended to use overnight for 3-6 months).

Other information

Store at room temperature and keep away from direct sunlight.

Skin discoloration may occur during or after use.

Inactive ingredients

Water, Polyester Spandex, Acrylate Copolymer, Tackifying Resin, Glycerin, Silicone Oil Paper
