

EYE CARESPRAY- eyelid cleansing spray solution
Shenzhen Shierjie Biological Engineering Co., LTD

43116-051

Active Ingredient

4-Terpineol 0.002%
Melaleuca Alternifolia (Tea Tree) Leaf Oil 0.001%.

Purpose

Antibacterial

Use

Gently refreshes and hydrates the eye area. Helps soothe dry, tired eyes and remove surface impurities-leaving skin around the eyes feeling clean, comfortable, and moisturized.

Warnings

.For external use only.
·This product is for daily use only and does not have disease prevention or treatment functions. It cannot be used as a substitute for medicines, health care products, cosmetics, etc.

Do not use

People with allergic constitution, those with rashes or open wounds around the eyes are prohibited from using.

When Using

When using this product, please remove contact lenses before use.
In case of uncomfortable contact, rinse thoroughly with water.

Stop Use

Stop application if eyes or skin around eyes show signs of redness, irritation or

sensitivity and consult your eye care professional.

Keep Out Of Reach Of Children

To avoid the risk of choking and suffocation, keep bottle and plastic bag away from babies, children and pets.

Directions

.Wash your hands & clean the eye area; Spray on each closed eye or a clean wipe, 2~3times; Wipe gently with a clean cloth to dry along the base of both lash line.
·Children under 6 years of age should be supervised when using this product.

Other information

·Store below 77°F/25°C.
·Store in a cool, dry place, protected from the direct sunlight.
·Validity period for 3 years.
