-----

## **Drug Facts**

### **Active Ingredient**

Salicylic Acid 2%

### **Purpose**

Acne treatment

### **Use**

for the management of acne

### **Warnings**

#### **For external use only**

#### **When using this product**

- skin irritation and dryness is more likely to occur if you use another topical acne medication at the same time. If irritation occurs, only use one topical acne medication at a time.
- avoid contact with eyes. If contact occurs, flush thoroughly with water

**Keep out of reach of children.** Do not swallow. If swallowed, get medical help or contact a Poison Control Center right away.

### **Directions**

- Clean the skin thoroughly before applying this product.
- Apply a thin layer to affected area once a day before bedtime.
- If bothersome dryness or peeling occurs, reduce application to every other day.
- Sensitivity Test for a New User: Apply product sparingly to one or two small affected areas during the first 3 days. If no discomfort occurs, follow the directions stated.

### **Inactive ingredients**

The advanced **Overnight Salicylic Acid Lotion** is formulated with Microsponge® technology, which is specially designed to promote healthy, visibly clear skin. This sustained-release acne-fighting technology helps reduce irritation by continuously working overnight, providing efficacy as it gently soothes and moisturizes skin, without clogging pores. Maximum strength salicylic acid exfoliates as it works to help clear existing acne and prevent new breakouts from forming. This unique formula contains anti-inflammatory Bisabolol, and Aloe Vera to help soothe, calm and condition skin.

**Key Benefits:**

- helps eliminate existing blemishes
- helps prevent new breakouts from forming
- soothing, oil-free formula
- unclogs pores
- fragrance free

**Daily Regimen:**

For best results, use this product with the full Skin+Pharmacy Advanced Acne Therapy regimen.
