Foaming Antiseptic Hand Sanitizer
Kills 99.99% of Germs

I.C. Foaming Hand Sanitizer has a distinct advantage over gelled alcohol hand sanitizers. While both product forms are fast acting and allow for use without water, our product gives the added benefits of being nonflammable, less drying to the skin and will not sting or hurt Cracked & Raw Hands.

Formulated with the active ingredient Benzalkonium Chloride "BZK" considered by the FDA as an Antiseptic. This formulation is NSF approved E3 for a no rinse hand sanitizer in food manufacturing environments.
